A LETTER FROM OUR PRESIDENT

Alpha Lambda Sisters,

Happy New Year! I trust your Christmas time with family and friends was a sweet blessing.

I love the quote: **Always be in love with a soul, not a face.** Our world teaches that outward beauty is more important than inner beauty, BUT educators are different.....this quote is how teachers teach and live....loving the soul of each child. As you go about your day, intentionally look for someone's soul to love....what a blessing it is to share love with someone else.

HOPE TO SEE YOU ALL SOON,

JILL JACKSON

Region XI News

Our own Julia Keyes is Region XI director and she has met with the presidents of DKG chapters in our region to plan for our 2022 regional meeting. They have some ideas, but wanted to get chapter feedback, as well. So, they are asking for your thoughts. Please email your thoughts to Jill.

1. Which month would you rather have a regional meeting: Jan, Feb, or March?
2. What ideas would provide opportunities for members to socialize with purpose?
3. How far are you willing to travel for a Regional meeting?

TECHNOLOGY TIDBIT

Wanda Love received the following message from REMIND, our text messaging system:

We're writing to let you know that changes are coming to Remind phone numbers: Over winter break, all numbers will be re-assigned for users who receive Remind text notifications, which means that **the phone number they receive Remind messages from will change**. The purpose of this change is to comply with new requirements from mobile carriers.
